-Procedures to buy:

First of all, you are welcome to consult our sales team about the details of the products. Our experienced sales staffs will do their best to help and cooperate. After offering your full contact information and requirements for the order, our sales staffs will send you the PI. Each order will be confirmed by our official document and Pro-forma invoice, stating the delivery and payment terms. You are requested to sign PI, stamp with your company chop and send it back to our sales department by fax or email. We will start preparing the goods for you after the

confirmation of the payment. All goods will be tested one by one before sending to clients, we will control the low RMA rate to stay the long term business. The clients will receive the tracking number when we send out the goods by EMS, DHL or Air Cargo and we are pleased to track the goods for you until you receive the goods and give us the feedback.

Packing:

Kingston retail packing or bulk packing (50 pieces/ box)

-OEM and ODM Service

We have our own brand products designed by ourselves and we can also make your brand products with your own designed logo and packing. You only need to provide your thoughts or the picture of your LOGO, and we will design and print them on the products. We welcome OEM and ODM orders from all over the world.

Warranty policy and Maintenance:

We offer 5 years warranty for all computer rams. Our QC department will test all rams before sending to clients. If the rams are defective within the warranty, you can return them back to us, we will repair or change them free for you (not including the shipping cost).
